Please email [leadership@arkmp.com](mailto:leadership@arkmp.com) if you are interested in donating and supporting our up and coming manufacturing professionals.

Email AMP Leadership now!

## Why intern night?

*Hires who have interned with the employer are more likely to be retained than hires who interned with other organizations and hires with no internship experience. **Feeling welcomed and building connections during the internship can significantly impact an intern's decision to return to the company.***

*- NACE's 2021 Internship & Co-op Survey Report*

## What is included in the intern night sponsorship?

**Tier 1 (\$2,000)** - Includes a spoken overview of your company during intern night. The introduction can be presented by your company's representative or read by an AMP board member from writing provided by your company. Company logo on all event marketing materials.

**Tier 2 (\$1,000)** - Company logo on all event marketing materials. Recognition during intern night.

**Tier 3 (\$500)** - Name recognition on all event marketing materials. Recognition during intern night.

All sponsors will have recognition for sponsoring the event during AMP's annual fall banquet.

## 2025 Event based sponsorships

This year, AMP's leadership team has decided to eliminate annual sponsorships to streamline and enhance the key events for 2025. As a result, events will now rely solely on event-specific sponsorships. All additional funds from these sponsorships will be directed towards supporting our four key pillars: empowering and developing manufacturing professionals, fostering professional relationships, driving industry-related success, and proactively serving the local community.
